Young Producers Council

Young Producer's Council

The South Dakota Cattlemen's Association Young Producer's Council was developed to encourage interaction among young producers, the sharing of ideas and the building of professional and personal relationships. By joining SDCA's Young Producer's Council, you not only get the opportunity to interact with young producers like yourself, but also with cattlemen who have been in the business for many years that can offer guidance, advice, and leadership.

Membership benefits include:

- A full time lobbyist representing you in Pierre and keeping you up-to-date on the latest issues in the legislature.
- Reliable, timely information on issues affecting cattlemen through our bi-monthly magazine, *The South Dakota Cattleman*.
- Our weekly e-mail bulletin, keeping you up-to-date on breaking news and upcoming events.
- Scholarship opportunities (2-\$250 scholarships awarded at our annual convention in December).
- The opportunity to network with experienced producers and staff at local affiliate meetings.
