Meet Dave Pratt

Dave Pratt is one of the most sought after speakers and respected authorities on sustainable ranching in North America. His programs, which include the Ranching For Profit School and Executive Link, have benefited thousands of families and millions of acres. He has researched management intensive grazing and strategic issues impacting the profitability of ranches. Dave is dedicated to helping people transform their farms and ranches into sustainable businesses.

Dave’s presentation titled “The Other Side of Disaster” will provide valuable tools and tips to producers who have experienced setbacks in production because of uncontrollable circumstances, such as winter storm Atlas.
